Description

GEAPRODUKT d.o.o. is a specialized merchant company for marketing and distribution of fruit and vegetables, that successfully adapts to conditions on the market for 27 years. From the establishment of the company, that is from the 1st March 1990, our company introduced several numbers of products of fresh and dried fruit and vegetables, exotic fruits and other agricultural products. Our function and the mission are being handled from 3 business centres: Ljubljana, Ankaran and Maribor. For our operational business we use the services of Port of Koper as well. The record we reached is a realisation of 25 mio. of turnover, most of it in the wholesales. We wish to form a network of contacts and gain new actual offers, which are interesting and competitive in the market. As the wholesalers we cover the whole area of Slovenia and the nearby region abroad. We are the suppliers of HEURECA system, public orders, end users, as well as merchant chains in Slovenia such as SPAR, LECLERC, MERCATOR, etc.,
