Bilateral Meetings

- (12.00 am - 4.00 pm)

Description

Slovenian company Tosla is an innovator in the syrup industry. We developed the first 100% inverted natural sugar in the world: Invertose™. Tosla then developed around Invertose™ a portfolio of liquid premixes solutions for the food and pharmaceutical industry and dietary supplements in compliance with ISO9001, HACCP, GMP and Halal standards. We offer finished products as well as private labelling.
